

ARE YOU DEALING WITH AGE-RELATED COGNITIVE CHANGES WHILE WORKING?

THIS STUDY MAY BE FOR YOU.

Northumbria University researchers, led by Prof. Arlene Astell (arlene.astell@northumbria.ac.uk), seek working adults with subjective cognitive decline, mild cognitive impairment, or mild dementia for a study on their work experiences and preferred technologies. Join to share your insights.

Participation includes:

An initial interview
A follow-up interview

In total, you would participate in approximately 2 hours of interviews.

When

Please contact us to schedule a time for the first interview.

Where

Interviews will be conducted either in-person or remotely depending on your proximity to Northumbria University.

Participants will receive

an electronic gift card of £20 for each interview.

Requirements for participation

1. You should be 18 years of age and older.
2. Self-report experiencing subjective cognitive decline, OR have received a clinical diagnosis of mild cognitive impairment or dementia.
3. Hold either a part- or full-time job, or be self-employed.
